

Sinclair  
Broadcasting has an  
obligation to  
present fair and  
balanced coverage of  
public affairs. Its  
decision to force  
its local stations  
to air a blatantly  
partisan smear of  
presidential  
candidate John Kerry  
is a violation of  
its public trust. I  
urge you to revoke  
Sinclair's  
broadcasting  
licenses and award  
them to companies  
that pledge to act  
fairly and  
responsibly by  
presenting balanced  
presentations of  
vital public issues  
and political  
campaigns.
